Good Morning Julie,

I believe that this ADA called the Evidence Office and Betsy left Annie a message in her mailbox. Any advice on what to do if this should happen again?

Della,

I'm sorry I am just reading this today. Were you able to resolve this?

Subject: Request for Annie

Good Morning Julie,

A call came in from BMC ADA Gabriel O'Malley for Annie this morning (2/21) for her to call him concerning a discovery and an investigation into breach of protocol concerning Norfolk County. He wanted her to call him on his cell about it at

[REDACTED] I know that you are on vacation, and I'm sorry to have to bother you with this, but I need direction on how you want this handled. Should I simply give Annie the message and have her handle it or would you like me to do something else? The attorney said that he needed to speak with Annie today.

Thanks,

Della
